

Bedbug is a friendly,
happy little guy who
lives in a mattress in a
dormitory in **France** in
the city of **Saint Jean**.

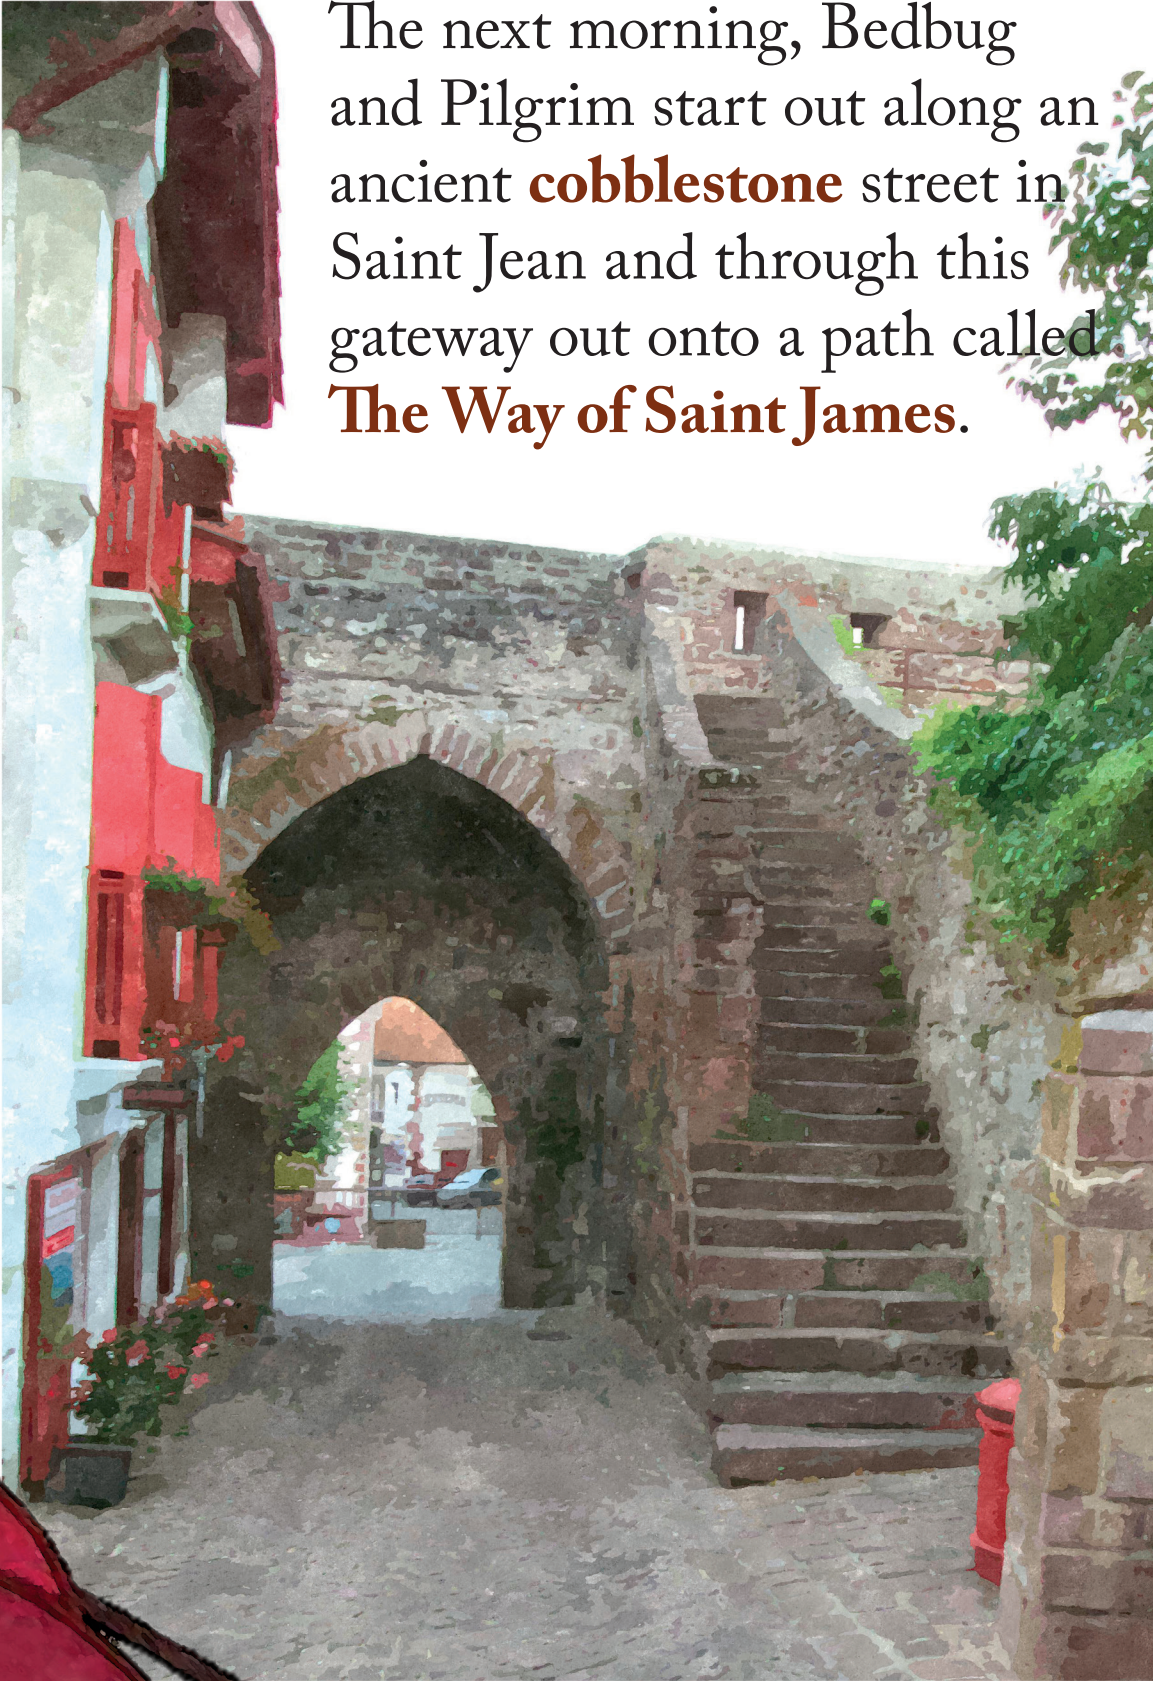

It is 5 o'clock. The train from **Bayonne** is arriving at the station.

Many **pilgrims** arrive in Saint Jean. They are very excited about the special journey they will begin the next morning. They all hurry through the town to find a place to spend the night.

One sleeps in Bedbug's bed. Bedbug has never been outside of his mattress. He has never seen the world. He wonders where the pilgrims go and what they see.

He wants
to go on an
adventure and
see the world.
So he decides
to hitch a ride
on Pilgrim's
bedroll.

The next morning, Bedbug
and Pilgrim start out along an
ancient **cobblestone** street in
Saint Jean and through this
gateway out onto a path called
The Way of Saint James.
